In a Nutshell

Please provide concise answers to the following questions. No more than 2 sentences per question.

1. What is the commercial application of your technology?

2. Who will be the main customer or user of your technology? What is the unmet need that your technology addresses for them?

3. What is the estimated US market size and # of users/customers for this technology? *Please work with your assigned licensing manager for assistance as needed.*

4. What is unique about your proposed solution?

5. What is the scientific/technological problem you are trying to solve?

6. How do you plan to solve the problem?

1. Application ID

2. Project Title

Please provide a one-line description of the project's topic / objective.

3. Assigned Licensing Manager

Please provide the name of the Office for Research licensing manager currently assigned to this technology.

4. Rutgers Technology ID Number(s)

Please provide the docket number(s) assigned by Office for Research to the disclosure covering this technology. If there are multiple dockets, please provide all docket numbers that are applicable. If you don't know the docket number, please contact your licensing manager for assistance.

5. Please provide the top 5 Keywords that you would use to describe your project and underlying technology.

6. Please list any past or current academic and industry collaborations related to this project.

7. Please list any planned or potential future academic or industry collaborations related to the commercialization of this project.

8. TechXpress Application - Part 2

Please download and complete the TechAdvance/TechXpress Application - Part 2 form, which can be found in your Resources tab. Once completed, you can upload it using the TechAdvance/TechXpress Application - Part 2 link located under your tasks on the main application page. Note: Be sure to Save and Exit this section of your application form (TechXpress Application - Part 1) using the green button below.

9. TechXpress Budget

Please use the attached TechXpress Budget Form, located on your main application page, to provide budget information broken down by staff, equipment, consumables, and any other applicable expense, as well as a breakdown by milestones.

10. Supplemental Information

You may provide any additional documentation. We encourage you to submit a list of grants received and any reviews for other grant applications you have submitted for this technology or related work. Please save this application using the green Save and Exit button and then attach any relevant documents to your application using the Additional Documentation section on your main application page.
