

**IRB Fee Schedule**  
**Multisite Trials (5 sites or more)**

Service	Fee
<b>Initial Review</b>	
Expedited or convened review, as required by the regulations, may include review of protocol, one informed consent document, assent form (if applicable), drug/device brochure (if applicable), recruitment materials, subject materials, and review of Master File Application	\$1,250
Additional Informed Consent Form(s) – each (beyond the first informed consent document submitted with Initial Review e.g., blood draw consent form, sub-study consent form)	\$350 each
Review of Participating Site / Principal Investigator Application (per application)	\$1,000
<i>There is a vetting process for first time investigators (no additional charge).</i>	
<b>Exempt Determinations</b>	
Review of Each Site’s Application for Exempt Determination	\$1,000 each
<i>Note: Projects submitted for exempt determination but do not qualify may need expedited or convened review. Only the applicable review fee will apply.</i>	
<b>Continuing Review</b>	
Review of Master File for Continuing Approval – <i>interval as determined by the committee</i>	\$1,250
Review of Each Participating Site/ Principal Investigator Application for Continuing Approval	\$1,000
<b>Annual Report (Only for studies <u>not</u> requiring continuing review under 2018 requirements)</b>	
Master File Annual Report	\$500
Review of Each Site’s Annual Report	\$500
<b>Modifications to Research</b>	
<b>Review of Modifications or Additions to previously approved research** – Master File</b> (e.g., amendments, ICF revisions, IDB/IB updates, Package Insert, PDR, advertisements, recruitment materials, subject diary, letters to subjects, study-wide protocol exceptions, safety reports, safety letters, DMC/DSMB reports)	\$550
<b>When Master File has modifications or additions to previously approved research and each site requires updated documents</b>	\$350/site
<b>Review of Modifications or Additions to previously approved research (site-specific documents <u>not</u> related to the Master File)</b> (e.g., site-specific ICF revisions, advertisements, recruitment materials, letters to subjects, protocol exceptions, safety reports, SAEs change/addition of key personnel, change in site)	\$350
<b>Change of Principal Investigator (Master Site or Participating Site)</b>	\$1,000

\*\* Multiple documents submitted together that require independent review may receive more than one charge.

**Study Closeout**

<b>Study Closeout (Master File)</b> – review of final closeout report	\$550
<b>Study Closeout (Each Site)</b> – review of final closeout report	\$350

**Reportable Events**

<b>Reportable Events</b> (e.g., adverse events, reportable external adverse events (IND), deviations)  <i><b>NOTE: IND Reports - BRANY IRB review is required only for reports that meet the definition of an unanticipated problem.</b></i>	\$100 per report
--	------------------

**Foreign Language Translations**

<b>Foreign Language Translations</b> - Includes IRB Review & acknowledgement of each translation submission for Master File or for each site as applicable. <i>(Upon request, BRANY IRB can coordinate the translation of study documents with a third-party translation service. In addition to the IRB review fee listed, the cost of the translation will be billed on a per word basis plus a handling fee.)</i>	\$350 each
---	------------

**Late submission Fee**

When receipt of Continuing Review is after the submission deadline, which is less than 14 calendar days from the IRB approval expiration date, a late fee will apply in addition to the Continuing Review Fee. (e.g., Continuing Review of Master File + \$200 = \$1450)	Add \$200 to Continuing Review fee
--	------------------------------------

**Withdrawal of Submission**

Fee applies if study has been withdrawn after being placed on an IRB meeting agenda or provided to an IRB reviewer	\$300
--	-------

**Rush Fee**

Full Board Initial Review accelerated outside scope of normal time frame. Does not guarantee IRB approval. (e.g., Initial Review of Master File + \$750 = \$2,000)	Add \$750 to Initial Review Fee
--	---------------------------------

**\*Note: These fees are subject to change without advance notice.**

\*\* Multiple documents submitted together that require independent review may receive more than one charge.
