## Envigo discount pricing

As a trusted global supplier of animal research models, Envigo is pleased to extend special pricing for select models.

*Offer valid through December 31, 2021. Standard shipping charges apply.*

\*New customers are defined as Principal Investigators who have not placed an order with Envigo in 2021. Discount is 20% off the Envigo list price on Envigo.com. Discount applies only to animal model or surgical procedure and does not count towards any surgical hardware components. Promotion is good for one order. Free shipping applies to account currently on our existing shipment routes in the US. All discounts are subject to availability and additional restrictions may apply.

For more details regarding these Envigo offers and other models and services, please contact your Envigo Account Representative below.
